

HEALTHCARE PRICING TRANSPARENCY REPORT

FROM NUMBERS TO KNOWLEDGE

Your resource for
finding the average price
of healthcare services

The VHI Healthcare Pricing Transparency Report, now powered by the Virginia All Payer Claims Database (APCD), allows consumers to freely compare average prices of 31 commonly performed procedures

Each service within the Healthcare Pricing Transparency report includes:

- What is involved, why you'd have the procedure and links for more information
- Statewide and Regional price comparisons
- Price differences among services performed in a physician office, surgery center or hospital outpatient / inpatient department
- Itemized pricing details that break out facility and professional costs

All information
is freely available at
