CCR President and Chief Operating Officer Appointed to New Health Committees

ROANOKE, Va., Jan. 6, 2015 /PRNewswire/ -- CCR (Commonwealth Care of Roanoke) is pleased to announce the appointment of President and Chief Operating Officer, David W. Tucker, to the Virginia Health Information Board of Directors and the Carilion Clinic Children's Hospital (CCCH) Advisory Board.

Tucker was appointed as a Nursing Facility Representative on the VHI Board of Directors and to the Carilion Clinic Children's Hospital (CCCH) Advisory Board as a Friend of the CCCH Committee Member.

David W. Tucker joined CCR in 2007. As the former president and CEO of American Health Care, Mr. Tucker brings a wealth of experience and wisdom to CCR's executive board. Mr. Tucker studied Business Management at Richmond College (London, UK) and holds a Business Management degree from Radford University. He also serves on the Board of Directors of The Virginia Health Care Association. Mr. Tucker previously served as the Director of Operations of CCR.

About CCR

CCR (Commonwealth Care of Roanoke, Inc.), founded in 2001, currently operates twelve centers in Virginia. The core business values – service, commitment and integrity – are the guiding principles of the organization. CCR is recognized as a leader in Virginia for providing quality services and being a stable, compliant fiscal operator. The founder and key managers of the organization are involved in numerous statewide initiatives for culture change, quality improvement and maintaining financial viability for long-term care providers. CCR's senior management group collectively has over 165 years of experience in the senior care profession. Likewise, the company is a Virginia-based company that is committed to participating in the Medicaid and Medicare programs and caring for the frail and indigent.

About Virginia Health Information (VHI)

VHI's mission is to create and disseminate health care information, promote informed decision making by Virginia consumers and purchasers, and enhance the quality of health care delivery.

About Carilion Clinic Children's Hospital (CCCH) Advisory Board

The Family Advisory Council seeks to improve the healthcare experience for young patients and their loved ones at CCCH and its outpatient clinics by providing a forum for communication and cooperation between families, hospital staff, and hospital administration.
